I am selling a Dell Latitude D620 laptop, Intel Core 2 Duo @ 1.66GHz, 2Gb of memory, hard disk 60Gb, built-in wireless. It's in used condition, there a minimum of worm and tear as you would expected for the age of the machine. The laptop is fully working in order as seen in picture. There are no scratch mark or crack on the display. The battery still hold charged but cannot guarantee the length of time it will last. A charger and UK mains lead.
