Through no choice of my own iam sadly having to rehome my little girl and big boy Belgian shepherds. These dogs are loving friendly but also very active so do need alot of space. My boy is 11 months and so intelligent sits paws rolls over speaks on command ect but also loves long walk off lead. He does pull on lead tho until his energy level fade. My little girl is just so elegant abit nervous but full or energy. Looking for them to go to a loving forever home offers as I only have until Friday. ;
