

Garden Pond

Location **South East, West Sussex**
<https://www.freeadsz.co.uk/x-351676-z>

A recently dug up garden pond. It's got several holes in the fibreglass shell but these can be patched or you could just use a heavy plastic lining. If you google you will find how to do this. Please see photos for measurements, (c40cm deep). You will need your own.
