Chevrolet have made a name for themselves in offering great value for money, and in a field where it is good enough to compete with the likes of the Audi Q5 and BMW X3 where the 2.2 Litre Turbo Diesel engine combined with a six speed automatic gearbox allow for an effortless drive. They come with a brilliant bit of kit, including the likes of full colour satellite navigation, cruise control, a rear parking camera and leather seats all round to name but a few of the many features that I'm certain will play a part in keeping this an exciting family car for many years to come. When I say family, please do not forget that this is a SEVEN SEATER and so absolutely perfect for anyone out there that needs a large boot for the summer getaways or even just an additional two seats for the kids and their friends on the school run. Ours here has a Full service history, has been serviced three times with the most recent of those less than 3,000 miles ago, it will be going through our own workshop for a full multi-point check and so giving you the peace of mind that you won't be needing to spend any money on the car any time soon after the sale.
