Team of professional videographers and photographers called BMN WEDDINGS offer Videography and Photography Services in UK and Europe! First of all, we want to express our congratulations! We are honestly happy that you start your preparations towards your Wedding Day. Wedding is a truly unique life event which consist of many parts: preparations, ceremony, photography and of course wedding Reception and first dance. All of those events will be remembered for a very long time, but its our responsibility to create a very special and unforgettable photographs which many years later, will remind you not only of this great day, but also how you were feeling in this very moment. Working with a professional line up of Canon equipment and L series prime lenses helps us to deliver a high resolution photographs as for printing as for digital use. Remember, if you choose BMN WEDDINGS first of all you choose quality, as we believe that wedding is a very special day which should be remembered forever. TV and Film backgrounds taught us to work on a highly professional level in every aspect of production: working with clients, wedding preparations and final product delivery. Thats why we use the latest equipment, shooting Wedding films in FULL HD and 4k quality. Every month we invest to update our equipment and also our team attends a variety of wedding masterclasses and exhibitions that our standards would be according to the world standards of wedding videography and photography. Despite that, we use such great technologies as Glidecam, sliders, drones and various lighting equipment. On our website you can have a look and choose the most appropriate package to you. Feel free to contact us anytime as we are more than happy to assist you with any question or enquiry.
