Reliable, VW Golf TDI GT diesel, 1.9 Black with leather interior and electric sunroof Full MOT until May 2017, part service history, 5 doors, electric locking, 2 keys, only 117, 000 miles on the clock. Regretably I am selling my nippy little Golf, it has never let me know down, and has a full 12 months MOT, general wear and tear for a car of its age - dent in the bonnet with a scratch and damage to wing mirror, needs a little TLC but I have a very genuine reason for selling. Please no time wasters, I am based between Sussex and London so the car can be viewed in either location.;
