Very well looked after Renault Clio Dynamique.

11 months MOT (April 2017), 59000 miles, electric windows, air conditioning, digital MPG display, CD player with aux, steering wheel controls, adaptive lighting & fog lights, alloy wheels. Ideal first car with low insurance and running costs and good MPG (circa 40 on average). Low mileage car that's been looked after well, great condition inside & out with few age-related marks as to be expected. Drives smoothly.
