I'm selling my beloved Beige /Gold C4 Grand Picasso VTR+. We have owned it for 5 years without any problems.Semi Automatic - Clutch changed at 75k miles(ish) at a Citroen main dealer.

Tyres all good/ok condition, new battery and brakes in the last couple of years.

We have serviced and maintained it throughout our ownership, previously serviced through Motability & Citroen main dealers.

It has most of the service history (I didn't receive all of it from the previous owner)Next Service due in 10k miles, MOT until Feb 2017

Although a petrol it manages to get 33.5 MPG (see photo of the last 6,000 miles)

It has cruise control, electric windows all round, electric mirrors, aircon, cd player/stereo (I've added an aux which is in the glovebox) and two keys.

Very comfortable car, with plenty of space for kids, we (a family of 5) drove 3000 miles to Portugal and back in 6 days without any issues.

It has the usual scuffs and scratches for an 8 1/2 year old car. Alloys in good condition but the odd scuff. It's been washed at the local car wash so please don't expect a showroom condition car.

We are selling to buy a newer 5 seater C4 Picasso as i no longer need this large a car.

Down Points

Two buttons on the dashboard are worn to white (I think the previous owner had long nails)Internal plastic trims are scuffed (as you would expect for a car of this age)Small scratch on the bootOne of the 3rd row of seats doesn't work. It can be easily unbolted and replaced for £165.00 one below on ebay at the moment. I don't need 7 seats anymore so had no need to replace it.<http://www.ebay.co.uk/itm/2009-C>
