2007 VAUXHALL CORSA 1.4 DESIGN **AUTOMATIC** Quite simply just an incredible little Automatic Corsa that has covered just 35,000 MILES from new. She drives and smells still as new and really is a pleasure to drive with the silky smooth full automatic gearbox. Top of the range design model that includes half leather interior, alloy wheels, rear parking sensors, air-conditioning, electric windows and mirrors, remote locking, fully colour coded, power steering.

Definitely one of the best small automatics we have driven.
