

LARGE 27quot BLACK EXPANDABLE SUITACASE ON WHEELS WITH RETRACTABLE

The case is very commodious - plenty of room in the case plus the zipped expanable top and is in great con except for 1 war wound where some of the plastic has come off the metal strip near 1 of the wheels (as can be seen in last photo) when it was thrown around at the airport. This does not inhibit the use of the case in any way. The case has a large zipped pocket on the back, 3 internal pockets inside as well as a zipped net one. Measurements are: 29"h x 17.5"w x 12"d I have looked around and comparable cases are now £50+, so grab yourself a bargain. I would prefer pay on collection, but would be willing to post if necessary by My Hermes (too expensive to post by Royal Mail) at a cost of £8.50. If I have to post it then I would offer PayPal as the payment option.

Any questions please.
