Here we have an excellent example of the Honda CRF250 SM, With so few miles on the clock, the bike is only just run in. The bike is in untouched/standard condition, just as it came out the crate. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. Fitted with Datatag protection, a favourite for insurance companies. A rack is also fitted to this bike, great for attaching a rucksack to so itâ€™s not on your back. This bike is suitable to be ridden on the A2 license. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork has a few small stone chips but you really have to be looking for them to notice. Viewing is welcome any time and we guarantee you wonâ€™t be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Coleshill. *NOTE: Alarms can be fitted to any bike at an additional**
