A cracking example of a Honda CB600 that has covered 7204 miles from new by its 2 former keepers. The bike has been serviced at the following miles 671, 2841, 5381 and 6533. The bike has been HPI checked and a Certificate will be presented with the bike. Top spec engine protectors have been fitted just in case the worst should happen. The bike comes with a factory fit immobilizer, this stops a cloned key or screw driver being used to start the bike. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. The bike has been finished off with a seat cowl, tail tidy and radiator cover. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 01246 8600...(click to reveal full phone number) for more info or pop in and view the bike at CMC Clay Cross.
