A brilliant example of a Honda CBR125R that has covered 3945 miles from new by its 2 former keepers. The bike has been HPI checked and a Certificate will be presented with the bike. It is easy to ride, comfortable, gives good fuel economy and has the build quality. A great bike to learn on and to use commuting. A tank pad has been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 01246 8600...(click to reveal full phone number) for more info or pop in and view the bike at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
