

Are you looking for the ultimate van to transport your band, DJ or group? Gearooz hires out specialist band vans, splitters, crew buses and mini vans to the music industry. Based just outside Brighton the vans are available for use across the UK and Europe.

Our vehicles are expertly converted long wheelbase Mercedes Sprinter vans. They are designed to transport up to nine people safely and in comfort. They include the driver and 2 passengers seats in the front with 6 reclining seats around a table in the rear. The back of the van is carpet lined for the secure storage of equipment. The vans are extremely reliable, economical and can be driven on a standard driving license. They provide the perfect transport solution for any band or touring act.

All our vehicles feature the following as standard: comfortable reclining seats, individual spotlights, mains power points for laptops and phone chargers, 2 screens, full entertainment system, privacy glass, security dead locks and a large secure storage area.
