DC24 All Floors is an ultra-lightweight and compact Dyson Ball vacuum cleaner that uses patented Root Cyclone technology for no loss of suction. Weighing in at just 11.6 lbs, it's one of Dyson's lightest uprights, and includes a handle that compresses allowing it to be stored in small spaces. DC24 All Floors also includes patented Ball technology, which allows you to steer with ease around obstacles such as furniture and household appliances. It rides on a ball, so there's no more pushing back and forth to turn corners. Dyson DC24 All floors Ball in good working condition. Suction is 100% also on the stretch tube with the brush on it for ease of cleaning, this tool brush is present and comes with the unit main filters have been removed washed and completely dried properly. Overall this is a very clean.
