1 owner until 2012. I am the 5th. Excellent condition, totally standard apart from rack and braided front hoses. Not immaculate but close. All tax discs, mots, from new retained, as well as much service information. Might need fork seals for MOT. New battery, rear pads, front tyre 1000 miles ago, chain/sprocket 1500 ago. Rear tyre coming to end of life but still ok. Has a very hard to source luggage rack. Slight damage to plastic around seat lock, and slight scuff to crankcase cover, nothing serious. MOT middle of August. Viewing
