Hi, I am a courteous, punctual and enthusiastic portrait photographer in the Haywards Heath area offering photographic shoots using my pop up studio. This includes backdrops, lighting and off camera flash units. It takes 10 minutes to set up and pack away and allows the shoot to take place in your comfortable surroundings. I am available for family, couples, children, pets, portfolio, profile, product and general portrait work. Each shoot will include all the images taken as shot. You will also be able to choose 10 of your favourite images which I will edit in Adobe Lightroom and Photoshop. These will be supplied in web and high quality print resolutions. Please contact me if you would like to discuss your requirements in more detail. My rates are competitive and I will try to work around your budget. If you quote Friday20 I will offer a 20% discount off an hour shoot (normal price is £50) I am happy to share further examples of my work on request. You can find some examples of my work on Flickr - search for 'Lawless Zero' or my new Facebook page - search for 'Pete Lock Portrait '.
