There aren't many words that can describe the Ducati 899 Panigale, but if I were to try it would be something like utterly mind blowing biking ecstasy!!! The bike is so good, riding it is an experience you will find hard to beat, and that's not all it is dripping in electronic aids such as traction control, ABS, EBC (Engine brake Control) and a standard quick shifter. The ergonomics are superb giving you a far better ride position than the 848 and the ride and handling is through the roof good! All this makes the Ducati 899 one of the most user friendly, super sports bikes on the road, oh and one more thing it sounds and looks amazing!! This stunning machine comes with a whole host of goodies including Titanium Termignoni exhausts, DP radiator cover, DP rear seat cowl, DP carbon tail tidy, carbon exhaust guard, DP battery charger, R&G engine protection and GB Racing engine cover and has a set of brand new Pirelli Corsa tyres. This is a sensational opportunity for some to own this superb well equipped, low mileage 899 Ducati!!! the bike will also come with our 12 month warranty and roadside assistance, Full HPI check, full Ducati service history, PDI and all the original parts.
