M4 exhaust with 2 interchangeable baffles.

Break/clutch lever guards.

Rear seat cowl.

Puig pro frame sliders.

R&G fork protection.

R&G rear sets.

Power connection for iPhone or sat nav (currently has the iPhone 4 attachment, you will need the relevant cable for whatever device you have)

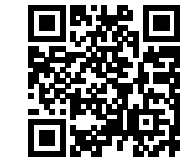

Almost new rear tyre and excellent front tyre.

Head light cover. (Not currently attached)

Also still have original rear sets, exhaust, rear seat and pillion foot pegs. This bike is in excellent condition. Reluctantly selling due to a bad back and not enjoying riding it as I should. I'd rather keep it, 'as is' but if I don't get a decent price, I'll put it back to standard and sell the extras. Viewing in Ruislip, Middlesex or Hemel Hempstead can be arranged. No test rides without the cash in my hand! Any Q's please ask. £6500 cash only ;
