

Shimano SH-W101 Winter Boot, Size 8 (15 GBP)

Location

South East, East Sussex

<https://www.freeadsz.co.uk/x-353499-z>

Put an end to cold and wet feet with Shimano Winter boots. The uppers have no mesh areas at all and a big storm flap underneath the double Velcro closures. They sit quite high around the ankle, and there's an extra neoprene cuff/lining that Velcros around the ankle and extends down inside the shoe for extra insulation. Little used, I no longer commute so don't need them any.
