Location South East, West Sussex

For sale: Eloise cot bed, suitable from birth to about 5 years. Converts from a cot to a toddler bed. Cost around £250 new, I'm asking £45 ovno. Also included are a large drawer that slides underneath and a bumper bar that fits on the side to stop a toddler rolling out (both originally accessories). The bumper bar has some teeth marks on it! The condition of the bed is generally good, but does show some signs of normal wear and tear. I have removed a few stickers, and will clean all parts with antibacterial prior to sale. Does not include mattress, but it takes a size that's easily available on Amazon etc. ;
