We are a team of two Virtual Assistants who provide remote business support to sole traders, consultants and small businesses who need help, but don't necessarily need a full-time employee. We can support you with anything from basic, ad-hoc admin tasks to on-going secretarial and PA support.

Do you do business internationally? No problem. We speak English, Spanish and French and can provide any of our services in those languages.

Our services include (but are not limited to):

- Data entry
- Audio/Copy Typing
- Creating, editing and formatting of Word documents, templates and guides
- Creation of Excel spreadsheets
- PowerPoint presentations
- Translations/Transcription
- Interpretation services
- Internet Research
- General typing services
- Preparing quotes and invoices
- Bookkeeping and Credit control
- Property management

- Diary/E-mail management
- General housekeeping

You don't just need help with a one-off task or need one-off help with a particular business task.

So why not just get a one-off task done and pass it over to us. Real support and when you need it, pay and

say goodbye to you to do it and pass it over to us. Real support and when you need it, pay and

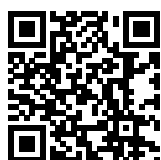

simple.
