We are a team of two Virtual Assistants who provide remote business support to sole traders, consultants and small businesses who need help, but don't necessarily need a full-time employee. We can support you with anything from basic, ad-hoc admin tasks to on-going secretarial and PA support.

Do you do business internationally? No problem. We speak English, Spanish and French and can provide any of our services in those languages.

Our services include (but are not limited to):

- Data entry
- Audio/Copy Typing
- Creating, editing and formatting of Word documents, templates and guides
- Creation of Excel spreadsheets
- PowerPoint presentations
- Translations/Transcription
- Interpretation services
- Internet Research
- General typing services
- Preparing quotes and invoices
- Bookkeeping and Credit control
- Property management

- Diary/E-mail management
 - General admin

Virtual Assistant just means we are a one stop shop for need help with your business regular or one off.

So say goodbye to your to-do list and pass it over to us. Real support and when you need it, pay and simple.
