

Roland TD-4KP Portable drum kit (480 GBP)

Location **East Midlands, Northamptonshire**
<https://www.freeadsz.co.uk/x-353622-z>

The Roland TD-4KP is a revolutionary drum kit that combines 25 great drums kits into a instrument that can be carried on the bus!

I have used this extensively for recording with a local band and it meets the mark.

It comers with a Stagg kick drum pedal, drum stool and drumsticks for a quick.
