We deal with small businesses, sole trader, market traders and all self employed

Bookkeeping services can be offered on a weekly, monthly or quarterly basis depending upon your requirements. If you already have a permanent bookkeeper we also provide short term cover for holidays and sickness.

Although we have a basic hourly rate, unlike other bookkeeping companies we base the fees for each client on its own merit. We always keep fees to a minimum as it is in our best interest to keep you in business and to keep your profits growing, "your growth is our growth;"
