

# Advanced Dental Solution

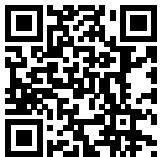

Location **Scotland, Dumfriesshire**  
<https://www.freeadsz.co.uk/x-353722-z>

My teeth were now gleaming white, my bad breath was completely gone and my gums were looking the healthiest they've been in years!!! You see; the primary cause of unhealthy teeth, gums and bad breath is the overproduction of 'bad' bacteria and pathogens in the mouth... if my new solution was stopping this bacteria from forming while at the same time being almost impossible to wash away, then I would have a extremely successful solution on my hands! For more information go to <http://paydotcom.net/r/117164/DJohn101/>
