1200cc, Manual 6 speed, 1,660 miles, White, 1 Owner. The VFR1200FD features dual clutch transmission, the world's first fully automatic dual clutch transmission for large displacement motorcycles. This new transmission offers riders the enjoyment of full sports riding capabilities along with effortless and seamless operation, applied in a powerful, large displacement machine. At the same time, this transmission's superior efficiency can deliver fuel efficiency equal to or better than a conventional manual transmission. To respond to rider demands through a broad range of conditions and situations, the transmission offers three operating modes: two full auto modes Dmode for relaxed, fuel efficient operation and Smode for sports riding, and a six speed gearselect mode for full rider control via electronic triggershift controls that deliver the same shifting response as a manual transmission. Full Service History, HISS SECURITY SYSTEM, ABS.
