Tree boys born on the 22/02/2016. Cats are trained to use litter. Cats brought up with children and other animals. Kittens are really pretty and lovely, they need loving home and a friend. two kittens are white with a tiny black dot on thier head. One of them is more , one less fluffy. Third cat is brownish-blackish. Their mother is black and fatheris albinos with one brown and one blue eye. You can see both parents and older brother. Cats will be ready to rehome from the 23/05/2016. They will be wormed and flead.

I don't answer just write a message. Thanks!!!!
