<https://www.freeadsz.co.uk/x-354165-z>

Great Full HD 3-D Smart TV , in perfect condition with all accessories, packaging & documentation. Including 2 x SSG-3050GB 3-D active specs. Balance of Richer Sounds warranty until end December 2016. Internet connectivity. Has been 100% reliable. Available due to upgrade to larger, 4k Samsung. Description from J Lewis website as follows: The Samsung UE37D6750 delivers sleek design and stunning high definition picture quality that will light up any room. A large ultra clear panel gives you darker blacks and more vibrant colours for a fresh viewing experience, while amazing online functions bring a new world of multimedia entertainment into your home. Key features: The UE37D6750 is a true online media hub thanks to Samsung's Smart TV platform. It provides a gateway to a multitude of entertainment ranging from video, music, social networking, news and games as well as on-demand services such as BBC iPlayer. Best of all, built-in Wi-Fi connectivity enables you to get online straight away. Watch your favourite TV shows in HD via the built-in Freeview HD tuner . To watch Freeview HD broadcasts you'll need to check that you can receive it in your area. Bring a new dimension to movies and games with cutting-edge 3D. The UE37D6750, gives you the ultimate in 3D picture quality with Samsung's 3D HyperReal Engine – delivering smooth performance and crystal-clear Full HD images to get you right into the action. Special technology also converts 2D to 3D, so your old favorites won't be left out. With its trim LED panel, slim bezel and sleek profile the UE37D6750 gives you a more immersive viewing angle, while being discreet enough for any space. AllShare lets you connect wirelessly to compatible devices to bring all your movies, music and photos to your TV, while the downloadable AllShare PC software makes connecting your computer a breeze. Stay in touch with friends and family around the globe thanks to Skype on your TV. Attach a separate adjustable HD TV camera and display

the two-way video call on your screen, allowing your friends and family to see you in crisp and clear HD colour. With its 3D HyperReal Engine, you'll see images that are sharper, more vibrant and more realistic than ever before. And with its Clear Motion Real-time technology, your favourite movies, games and photos will be sharper and more detailed than ever before.
