Ideally we are searching for a 1 or 2 bed house/cottage/apartment/flat/annexe/caravan/chalet for a short term let of 3 months and the possibility to extend the let month by month. We are a family with a 4 and a half year old from professional backgrounds requiring suitable accommodation commencing from the middle of June. We are looking for something suitable that costs between £500-£600 pcm depending on bills being included or not. Please let me know as soon as possible if you have what we are looking for. Many thanks,.
