Having recently moved, I have a large collection of dragon statues that I wish to sell. They are all in excellent condition.

You can see the whole 2 sets here...

I have the complete set (all 12) of Fabulous Dragons, which I am selling for £200, individually they cost £20 each.

I also have the complete set (all 6) of the Treasure Dragons, which retail at £75 each. I'm prepared to sell them individually for £55 each or as a complete set for £315.

Unfortunately, due to the weight and size, collection.
