Hi I'm Sarah ,

I'm a registered childminder in Kilbirnie.

I live with my husband & 3 children- 13 year old twins boys & 4 year old son.

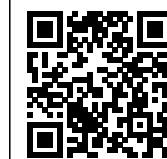

Although i have recently registered with the care inspectorate & SCMA as a childminder I have over 16 years experience looking after children & love what I do.

I have worked in a private nursery for several years , worked in primary schools as a helper , spent many years babysitting & being a nanny for families in the local area- most recently I was a nanny for a lovely family & looked after their 2 amazing kids, both under 5.

I have an SVQ level 2 in childcare, SCMA introduction to childminding & various other childcare certificates for courses I have completed. I will soon be doing my food safety course & soon to complete my paediatric first aid course .I will continue to attend courses & improve my skills to offer the children I look after , the best possible care & offer parents complete peace of mind.

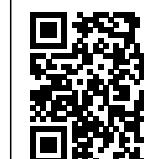

I love looking after children & love being a part of their learning journey , I enjoy spending a lot of time outdoors with the children doing various activities ,baking & cooking & as I am a big lover of books ,we read a lot & its always fun for the kids to take part in all the messy activities on offer.

I know what its like to be a mum & how difficult & sometimes heartbreaking it can be leaving you child with someone new but I hope that I can reassure you & make this transition for your child as easy as possible ,so if you are looking for childcare & think I could be what you are looking for don't hesitate to contact me
