The Sutor is based on the Fiat Ducato with Cab air and electric mirrors and windows and driver and passenger airbags, and the fitting of night-time blinds to the cab windows. From the cab as you reach the middle of the motorhome you have the full size cooker with 3 gas burners and one electric hotplate. It also boasts a large fridge with AES, an impressive work-surface area and an abundance of storage space. The layout even allows for a longer kitchen than most, with some extra worktop area, and fitted in the unit above is an integrated microwave oven. Opposite the kitchen is the washroom and in a clever arrangement with the sink on a hinged bulkhead, you can re-arrange the washroom to create a fully lined shower cubicle meaning the toilet doesn't have to get wet every time you shower. The whole washroom has a very substantial-feeling, even the washroom door comes with a domestic-style handle and lock. It also has the Thetford toilet with pull out toilet tank. At the rear is the lounge which is L-shaped and has the picture window to watch the world go by and easily converts to make a bed for night time use. Above the cab is the pull down double bed which means that if you don't wish to use the rear lounge at night time you can leave this bed set up and ready to go for convenience. The van has everything you would expect in a motorhome including blinds and flyscreens, Large rooflight over the lounge, gas and electric heating, etc. Comes to it's new owner with a full 12 month warranty, road tax, new MOT, and a full handover and demonstration on collection day. Ask about our great first time buyer packages Alarm, Air Conditioning, Stereo, CD Player, Panoramic Sunroof, 4 Berth, Overcab Bed, Bike Rack, Flyscreens, Blinds, Awning, Mains, Leisure Battery, Heating, Power Management, Status TV Aerial, Hot Water, 3-Way Fridge, 4-Burner Hob, Oven, Grill, Hob, Wardrobe, Shower, Hand Basin, Cassette Toilet, Microwave, Power steering, Central locking, Air Conditioning, Alarm, Electric windows, 3 point seatbelts,
