Reluctant sale of our P Reg (1996) Mazda Bongo Friendee 2.5 TD, automatic transmission with a raising roof for extra storage and standing space when camping. 145k km's, selling due to a health issue which has meant a new car has had to be purchased. Standard features include electric blinds, electric windows (front only) electric mirrors, electric soft close sliding door, key operated central locking, air conditioning, and rear heaters. Extras on the van include inside storage (as per photo) electric hook up point and 2 mains power sockets installed. 2 sets of curtains, one across the front and one across the back. Price includes 12 months MOT and Service taking place on Friday 27th May which is when the MOT runs out. I will sell without the MOT and Service for £ 3750 if collected by Friday 27th May. Currently at the body shop having a new front cross member being fitted along with some work being done to the sills. Expected back tomorrow or Thursday. A whole new exhaust system and new radiator fitted just under 2 years ago (receipts for the work) and one of the coolant pipes has been replaced. A brand new front windscreen has been put in due to a chip repair splitting (Autoglass) Last oil change October 2015. Great for trips to the beach / parks or an overnight (s) stay. Brilliant for shopping / trips to the tip and great fun to drive. Will be very sad to see her go but will definitely be back in the Bongo club at some point. The van is 20 years old so is not in showroom condition so please bear this in mind. Serious enquiries only please;
