

## Keiser M3 Spin Bike (350 GBP)

Location **South East, West Sussex** https://www.freeadsz.co.uk/x-354817-z

This was originally purchased as an ex gym bike well used but works exactly as it should to give an amazing workout!. ..... its a great bargain. The monitor is working and securely attached, the tape in the picture is to cover a superficial crack in the base of the plastic sleeve only. The stand was recently painted with Hammerite to refresh the metal.
