

Besson Sovereign Eb Tuba (40 GBP)

Location **South East, West Sussex**

Besson Sovereign Eb Tuba

4 valves Fully Working - All slides and valves moving freely

In top condition - minus a couple of dents in bottom bow - which have been checked and apparently are all in positions which can be ironed out if you wish to. From what I have researched on Serial Numbers it would appear this is a 1993 model. I bought this tuba off Salvation Army second hand, they owned it from new.

Includes:

Dennis Wick Mouthpiece

Besson hard case with inbuilt wheels

Soft gig bag

Marching strap

I am selling my beloved tuba with great sadness - this beauty has travelled the world with me on many band tours, but work/life commitments have taken over and I no longer have the time to enjoy her. I would like her to go to a loving home, rather than gathering dust.
