A great car that has been well looked after. I have loads of paperwork/ bills of work that's been carried out including the cambelt and water pump being done at 47k miles, both coil springs being replaced at 68k. The car itself drives great and the body work is in brilliant condition. I am available daily for more information or for a test drive. 01444214316 014442143...
