Value Added Tax or VAT is a type of tax businesses charge while supplying services or goods.

You can register for VAT regardless of whether you are the owner of a limited company or a sole trader. It is possible to begin trading but it is not possible to claim or charge VAT if you don't register for it. You can get in touch with VAT Registrations if you want to register for VAT.

After you register for VAT, you need to charge VAT on the services and goods you sell to the customers and other businesses. The standard rate is%
