

Savic dog pen (20 GBP)

Location **South East, East Sussex**

Folds flat for easy storage 7 panels (one has a bolttable door) measuring approximately 61cm wide x 92cm high. I have replaced some of the metal clips that hinge the panels with cable ties to make it more flexible - I used it as a long room divider rather than a pen. They work just as well. Dejected looking cockapoo not.
