AZ Autos present for sale a stunning 2012 Audi S5 3.0 TFSi in metallic Black. A real head turner, the S5's sleek and beautiful design is only accentuated by the technological array in the cabin and the ferocious noise conjured down its quad tailpipes via a 329BHP Powerhouse. A hugely powerful car, the S5 can launch from 0-60 in an impressive 5.2 seconds with a top speed of 155mph but can still average a fuel consumption rate close to 30 mpg. This car is currently owned by the director of the company whose insatiable appetite for beautiful cars has come full circle and is looking for another. Our S5 has been very well cared for with 3 Audi service stamps at 14k, 25k and 32k miles and a service from ourselves at 40k miles. Recently Mot'd till March 8th 2017 with no advisories, the vehicle is in a lovely condition and drives superbly. The D4LVO number plate will be replaced by the cars original KR61FYC upon sale. You can also reserve this car for 48 hours with a £150 refundable deposit.
