This entire area is full of green farmland, long, winding golf courses and unique old castles, bridges and towns. Our park is a short drive from Berwick-upon-Tweed where you can discover more about the history of the region at Berwick Barracks. The eighteenth century barracks house an art gallery and military museum.

If you're willing to drive a little further you can find Northumberland National Park and the remains of Hadrians Wall. But if you're looking for something to get your heart pumping, you can also find attractions like East Links Family Park and Ronnie Dales 4X4 Driving School relatively close by.

We have a brand new £2million owner's lounge with its own Bistro restaurant, Bar, lounge area and decking overlooking its very own lake!!!
