A immaculate example of a Honda NC750 that has only covered 994 miles from new by its former keeper. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork is in great condition and has been fully polished by our on-site valet. The Honda NC750 handles sweetly, brakes more than adequately, is comfortable, tackles scabby back roads well and with the addition of the DCT gearbox it is easy to ride and super economical. A tank pad has been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. The bike comes with a factory fit immobilizer, this stops a cloned key or screw driver being used to start the bike. Viewing is welcome any time and we guarantee you will not be disappointed. Give us a call on 01246 860046 01246 8600...(click to reveal full phone number) for more info or pop in and view the bike at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
