Double room has been freshly decorated and carpeted and can come furnished or not. At the back of the house it has great views over fields and the valley! Quiet semi detached in a safe quiet location with parking. Large private garden with large shed backing onto fields. Large fitted kitchen as an extension to the original house providing a spacious lounge dining area. House is in good order being newly decorated throughout. Ideally looking for a compatible housemate for a Monday to Friday stay but full time is also ok, and for someone who is easy going and likes their home to be a place to relax.

I'm generally open minded and flexible and welcome enquiries.

This is a 3 bed property with good size rooms. Downstairs has a large kitchen extension allowing for a spacious lounge dining area with real wood floor. Double length garage with back half serving partly as a utility room with washer/dryer.

The garden is massive! Mostly slabbed and is a real sun trap of an evening with stunning views and sunsets. I plan to have chickens again so fresh eggs will be available!

A unique, comfortable and inviting place to:)
