This is a TOP CONDITIONS HPI Trophy 3.5 nitro 4x4 buggy I used it 4 times but you will need a new pull start the car is immaculate I keep them clean all the time so you will have no issue with that big beast. Good luck everyone.

The transmitter is the TF40 not the older version .

Any questions feel free to contact me.

The Trophy 3.5v2 buggy is the perfect way to get into nitro 1/8 buggies!

Rally cross buggies are one of the biggest racing classes around the world, and it's still growing fast! This kit has got everything you need for anything you want to do. For bashing fun and big-air stunts, it has a durable aluminium chassis, braces and shock towers, and for race track performance and tuning the Trophy is equipped with a powerful race-legal Nitro Star F3.5v2 (.21 cubic inch) HPI engine, HB Proto design racing tyres, oil-filled shocks, turnbuckles and plenty of tuning adjustment possibilities. One added benefit of the Nitro Star F3.5v2 is that it's a race-legal .21
