The Astra is a great little runner when it comes to finding yourself a car that's both simple and comfortable to drive. We've just taken this one in as a part exchange with less than 12,000 miles on the clock in the three years since it was registered new, that's an average of just 4,000 miles a year! The Six Speed Automatic gearbox feels brilliantly smooth to drive, allowing for fuel consumption of up to 51.4 miles per gallon on a run whilst it has all the power you would expect of a 1.6 making for a real pleasant all round runner. Essentially, the mileage is all genuine and backed up by the service history and Full HPI clear certificate. As with all of our cars, this one will come with our three month NO QUIBBLE warranty alongside a full multi-point check in our own workshop and a lengthy MOT!
