Freda is a 15.3 6 year old mare. She has not had much work done with her over the past few years as she has been in foal twice and she's now ready for someone who is wanting to take on a bit of a project. Was broken last year and going well. She is very easy going and willing to learn, in the right hands she will be a cracking mare.

Looking for £500, open to sensible offers.

Price will increase as more work gets done with her. Any new homes will be vetted as only the best home wanted for this lovely.
