Hilltop House & Castle is situated in a beautiful woodland setting where stunning lakes and the sandy beaches of Northumberland are just far away.

On site all the facilities are second to none and there is a fully licensed bar with room for entertainment as well as a pool bar/kitchen and burger grill. The Johns pub is located in the grounds and even has a lounge that is for owners only! This comprises of a comfortable lounge with free tea & coffee, all of the daily newspapers and a gym and spa which includes its very own jacuzzi and treatment rooms.

As well as all this there is a nine hole golf course, boat hire on the lakes, and even a climbing wall and adventure course!

This entire area is full of green farmland, long, winding golf courses and unique old castles, bridges and towns. Our park is a short drive from Berwick-upon-Tweed where you can discover more about the

history of the region at Berwick Barracks. The eighteenth century barracks house an art gallery and military museum.

If you're willing to drive a little further you can find Northumberland National Park and the remains of Hadrians Wall. But if you're looking for something to get your heart pumping, you can also find attractions like East Links Family Park and Ronnie Dales 4X4 Driving School relatively close by.

We have a brand new £2million owner's lounge with its own Bistro restaurant, Bar, lounge area and decking overlooking its very own lake!!!
