Business lady with several rescued cats, all neutered, housetrained looking to rent longterm in Neath Port Talbot or surrounding areas. 2 bedrooms+ detached or semi definitely not on busy roads, and with large garden. Condition not important, willing to spend a little to refurbish but need somewhere to move into with my cats and be able to put up outdoor enclosure in garden. Have you a property, perhaps empty, not thought of renting out which I could move into for a fair rental. This is urgently.
