Bmw 320d se e90 2005 Diesel Manual Mileage: 140k Dolphin grey Saloon Electric windows, Air conditioning, Parking aid, MP3 player, CD player, Height adjustable driver's seat, Metallic paint, 18" Alloy Wheels, Power steering, Steering wheel rake adjustment, Steering wheel reach adjustment, Cruise control, Traction control, Roof rails, Central locking, Alarm, Immobiliser, Driver's airbags, Side airbags, Passenger airbags Here I have my pride and joy for sale. I don't want to get rid of it but have to as I need something bigger. The car is stunning and looks great with the deep dish wheels complementing the car. Also with eye lids on the headlights make the colour look beautiful. It has a scorpion back box exhaust system on the car but it doesn't sound trashy or ugly. It has been remapped to 217Bhp by professionals at famous car tuning company called evolve which are BMW specialist (I have paper work to prove this) The car comes with full Mot until October. As it's the Se model it has all the extras such as parking sensors MP3 player genuine stereo with aux connectivity. Just had tyres changed Just had a service recently Private plate not included will go back to its original plate I also have the original BMW Se wheels aswell for a little
