As the photo but a three door not a two door as shown (currently disassembled in storage) as moved and doesn't fit in our new bedroom. Goes together very easily as solid wood. Cost £850. 2 doors with a pole and third door with shelves. Its a fairly small tripple wardrobe at 52 inches across 70 inches height and 22 inches depth approx. Looks beautiful when installed. Only purchased six months ago. So very cheap a real bargain!! No time wasters please! Sorry i wont go any lower than £100!
